PUBLIC SERVICE COMMISSION HOLDS HEARING ON CROSSINGS

Elimination Necessary Before State Begins on Speers-Coal-Center Road

MINOR DETAILS TO ADJUST

A hearing under direction of the Public Service Commission, to determine the details in connection with the elimination of grade crossings on the line of the Pittsburgh Railways Company between Speers and Allenport, as a preliminary to beginning active operations on the new State highway, was held on the ground today.

The hearing, a preliminary of which was held in the public meeting room of the Charleroi borough building at 10 o'clock this morning, was attended by a large number of officials, representing the State, county, the Pittsburg Railways company, the Pennsylvania Railroad company, and the various boroughs and townships which are directly interested in the new road.

The hearing was in charge of A. Howard Jones, of the Public Service Commission and was attended by J. E. Johnston and W. H. Ecker, county commissioners; Charles Fitzsimmons, State Highway Department; George S. Chaney, county engineer; Howard W. Hughes, county solicitor; William Steel, president and Charles Speers, members of Speers borough council, and Thomas Crowell, street commissioner of Speers; Matthew Lynn of Dunlevy; Thomas Crowthers, Isaac Carson and T. M. Jones, supervisors of Allen township; A. P. Barnum, former county commissioner: Mr. Larned, engineer for the Pittsburgh Railways company; W. F. Green, assistant engineer maintenance of way of the Pennsylvania Railroad; Wm. C. Boyd and John Reitz of the Pittsburgh Steel Products company.

The object of the meeting as set forth by Mr. Jones, was to ascertain if any further details were to be arranged before going into a public hearing; he said there were some few provisions of a minor character to be decided upon, and with these determined it would be possible to get a clear and concise view of the case and proceed accordingly.

A matter to be determined is the distribution of the costs in changing the line of the Pittsburgh Railways so as to eliminate the crossings as well as to evacuate certain stretches now occupied by the street car line. However, before the State Highway Department will proceed with the improvement of the road, the cost of which is to be borne by the state and county, all crossings will have to be eliminated, and in order to secure action the matter has been referred to the Public Service Commission. It is the purpose of the Commissioner and all others interested to make a view of the road as far as Stockdale, and at noon time, after lunch at the Pittsburgh Steel Products plant at Allenport, to continue the hearing there.

With a decision of the Public Service Commission directing the Pittsburgh Railways company to abolish the crossings, and likewise a decree distributing the costs, the county is prepared to go ahead and secure the additional rights of way that will be necessary in order to place the street car lines on a new roadbed. The new right of way will be furnished to the street railways company in exchange for the one they surrender, but it is likely that they will be assessed with a portion of the costs for the elimination of the crossings.

The hearing indicates that the State Highway Department and the county is clearing the way for the improvement of this road, and which has been so badly needed for the past several years.

If possible, it may be that no further hearing will be necessary in this case, and if such be the decision of the Public Service Commission, it may be possible to have handed down within a very short time, which would clarify the situation and put the state and county in shape for immediate action.

NO CHANGE IN M. E. LOCAL PASTORATE

At the conclusion of the ninety-seventh annual session of the Pittsburg Conference held in Johnstown, Monday afternoon, a list of the appointments for the coming year was made by Bishop Francis J. McConnell. For Charleroi the Rev. E. H. Greenlee, who has served so acceptably for the past year, was returned; the Rev. Henry McGuire was assigned to Speers, while in Donora and Monongahela the same pastors were returned for the coming year.

MUSICAL FANTASY FOR HIGH SCHOOL BENEFIT

The musical fantasy, "Fi-Fi, of the Toy Shop," is to be produced at the high school auditorium Thursday and Friday evenings, November 4 and 5, with a matinee. Local patrons will readily recall the pleasure afforded by the performances of "The Wishing Ring," given at the local auditorium a few months ago, by the same producing company, and are assured that they may look forward with pleasurable anticipation to the forthcoming productions. "Fi-Fi" will be staged with a cast embracing the best of local talent. Rehearsals will begin early next week, under an efficient director, whom the John B. Rogers Company will send here to assume charge of the work of preparation.

Two teams have been selected from the Lodge members, each man being paired with an opponent, each loser to furnish certain ingredients for the dinner, and then assist in serving it. The bill of fare will include turkeys, chickens, ducks, small roast pig, as well as all the trimmings which go with a "feed" of this character As soon as the winner of the series is announced preparations will be put under way for the big event.

WERE QUIETLY MARRIED ON MONDAY EVENING

At 7:30 o'clock Monday evening in the pastor's study of the Washington Avenue Presbyterian church, occurred the marriage of Fred G. Collins of Speers, and Miss Bess Johnson of Donora. The ring ceremony was used, and the Rev. John R. Burson was the officiating minister. Miss Alberta Johnson, a sister of the bride was maid of honor, and Robert W. Jones of Allenport was best man. The bride wore a brown traveling suit and the maid of honor a gown of silvertone tope. The study was decorated with oak leaves and autumn flowers for the occasion. Mr. Collins is a well known street car conductor on the Pittsburg Railways and the bride has been for some time bookkeeper for the Woodward Motors company. The young couple left immediately after the ceremony for an eastern trip and upon their return will make their home at Speers.

UP TO BOARD TO PAY TRANSPORTATION

Some weeks ago it was noted that the citizens of North Belle Vernon held a public meeting to protest against the action of the school board in refusing to pay the transportation charges on the scholars who are attending the Monessen High School because the Board had discontinued its own high school.

The citizens interested went about the matter in a business like way to determine the responsibility of the Board, in the matter, and wrote a letter to State Superintendent of Public Instruction Thomas E. Finegan, who in reply to the inquiry said that the "proper free transportation to and from school, including high school, must be provided by the school district for all pupils of compulsory age who reside more than two miles from a public school by the nearest public highway."

The citizens again propose to take the matter up with the school board of the district, and in the event of a refusal to bear the transporation charges it is likely a suit will be instituted to determine the matter in court.

A girl named Yvonne Buval, whose home is on Third street, was taken to the Charleroi-Monessen hospital last evening, suffering from bi-chloride of mercury poison. It is said the young woman took six of the tablets, but this morning her condition is reported as being very good, with prospects of recovery.

TEAMS OF THE LOCAL ELKS' LEAGUE OPEN BOWLING SEASON

DONORA TEAM BEATEN BY UNIONTOWN HIGH

The Uniontown High school team defeated the Donora High in a fast game played at Uniontown on Saturday last, by a score of 13 to 0. It was a hard fought game throughout with the visiting team on the defensive practically all of the time. The same afternoon Monongahela defeated the Clairton High by a score of 2 to 0. Monongahela scored a safety shortly after the beginning of play. The Charleroi High will meet both Monongahela and Donora this fall.

PROMISE FOR EXCITING SEASON

The bowling season was opened at the Elks Club Monday evening under the most favorable auspices, and it is promised that the teams which make up the league from the membership will furnish some exciting sport during the fall and winter months. Ten 5-men teams compose the league, and judging from theopening contest there promises to be some very exciting games.

Before the opening of the games last evening, Exalted Ruler Henry L. Swickey made a very interesting talk, explaining to the players and members of the club the purpose of the league, and also giving an outline of the rules as adopted by the Captains of the various teams. Arch Osborne was then given charge of affairs for the evening, and he presented to the members of the club Brother John Monier, a lover of sports and fair play, who proceeded to open the season by rolling the first ball in the first game and who also served as a substitute on the Champ's team, proving to all members of the two teams that he is not yet through as a bowler.

The contest was then on, and it resulted in a victory for the "Hoop Poles," captained by Robert Hess, who took two out of three games from the Champs, captained by George Vetter. The scores were as follows:

MANY HURT IN AN AUTO ACCIDENT

An automobile accident, which resulted in the destruction of a big Packard automobile and the injury of eight people, occurred on the brick road between Eldora and Donora about 7 o'clock Monday. All of the occupants of the car were colored.

The car owned by R. Eugene Byers of Monongahela was in charge of David Ramsey, chauffeur, and had been taken without permission. In the car at the time of the accident were Ramsey, Mrs. Harry Thomas, Mrs Frank Simmons, Mrs. Isaac Viverette and 6-year-old daughter Katherine, Mrs. Emmett McPherson, son Clifford and daughter Jane.

The driver was speeding up a grade and was going at such a rate that he could not make a sharp turn. The car ran up on the bank, then overturned, pinning all of the occupants under the machine, and injuring all of them. They remained in this position until released by passing automobile drivers, and all of them were taken to Monongahela, where they received medical attention. All of them had cuts about the face and head, and Mrs. Viverette was found to be badly injured, the full extent of which are not known. All of them were sent to their homes.

At the time of the accident Mr. Byers, owner of the car, and his wife, were attending a reception in honor of their golden wedding anniversary at the home of Theo M. Byers in Monongahela.

The wedding of Miss Jennie M. Coulter, daughter of Mr. and Mrs. Robert Coulter of Lincoln avenue, and Albert F. Walter Bressler, the ring ceremony being used. The couple were attended by Robert W. Coulter, brother of the bride and Miss Margaret Bertsche, sister of the groom. The couple will reside at 327 Fallowfield avenue.

WALTER VAUGHAN TO SING FOR RECORDS

Walter Vaughn, of Fayette City, the well known tenor, has recovered sufficiently from his long spell of sickness to take up his work, and has contracted with a record company to make records for a period of three years. Mr. Vaughn sang at Mt. McGregor, N. Y., and the President of the company was at the concert. As a result he invited Mr. Vaughn to New York to make a test record. The result was so satisfactory that an unusually flattering offer was made the young tenor, for whose future great things are predicted.

WELL, WHICH IS IT?

Governor Cox's personal organ. the Dayton News, October 5, 1916, Cox then campaiging for reelection:

"We do not believe that all our German friends are so disloyal to their friends and relatives who are fighting for what they believe to be right, as to give aid and comfort to the worst enemies of Germany in this country—the rabid Roosevelt and his choice for President. We do not believe that these sober, staid citizens, Americans as they are, but sympathizing with their loved ones across the water, will vote for the candidate of the man who says those same loved one ought to have been attacked by the United States We do not believe that these German friends of ours will vote against President Wilson for having written notes to Germany instead of having declared war upon the emperor."

President Woodrow Wilson, at St. Paul, Minn., September 9th, 1919 in demanding the acceptance of the league of nations:

"That hyphen which looked to us like a snake, the hyphen between German and American, has reared its ugly head again You hear the hiss of its purpose, and what is that purpose? It is to keep America out of the concert of nations in order that America and Germany, being out of that concert, may some time in their mistaken dream unite to dominate the world, or at any rate the one to assist the other in holding the nations of the forld off while its ambitions are realized."

Governor Cox, Evansville, Ind., August 25:

"When it (the league) is properly perfected I favor the admission of Germany We and Germany, Russia, Turkey, Mexico and Heary Cabot Lodge only are standing outside."

Franklin D. Roosevelt, at Grand Island, Nebraska, Aug. 28, 1920.

"Germany, herself looked forward to the league of nations for reconstruction and justice, and it was America's high duty, to aid the German people themselves, now that the war was over, as well as it was the duty to aid other nations"

Gov. Cox, Cheyenne, Wyoming, September 25th.

"We started fighting Germany with the Allies, and we should continue with the Allies until this thing is done. Now my friends, Have you observed that the leader of the pro-Germans in New York a few days ago said he was going to support Senator Harding because my opponent favored a separate peace with Germany and when that was made, they intended to have a more favorable peace—a peace more favorable to Germany."

IMPORTING DISEASES.

There are many Easterners who at a supposedly safe distance, decline to sympathize with the Pacific coast's prejudice against Asiatic immigration but everybody in all sections will unhesitatingly support needed measures to keep out Asiatic and European diseases of the more deadly sort. In a San Francisco dispatch Cornelius Vanderbilt, Jr., quotes Surgeon-General Cummings, chief of the United States Public Health Service in that city, as saying there is no little danger that we may import from Middle Europe the deadly contagious diseases now prevalent there. "Seven million people," he says, "are trying to get here from that port of Europe which is at present a hotbed of tyohus and yellow fever" He further says that "the bubonic plague is present in all Mediteranean ports, and I hear there have been twenty cases in Paris."

Although representatives of the Federal Government are boarding and fumigating incoming foreign vessels, General Cummings believes that "Europe's plague will obtain a foothold here ere many months go by, unless we keep close watch upon all immigrants newly arrived," and he begs the co-operation of the people of all communities in reporting promptly suspicious cases. Though the danger may be exaggerated, it is much better to err on the side of extraordinary precaution than to be caught napping.

NO PROFITS.

The Italian communists who seized industrial plants in the expectation of dividing the profits have discovered that there are no profits. They are now returning the plants to their people and the workmen are reported overjoyed at the prospect of a return of regular paydays. The fallacy of communism is exposed every time its theory is put in practice. It has failed in Russia just as miserably as it failed in Italy, only the results in the former country are less known to the world, owing to the isolation to which a communist-government has condemned it. But it is known that three years of communist government and industry have reduced one of the most productive countries in the world to semi-starvation.

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and achy backs, your neighbors recommend Doan's Kidney Pills. Read this statement:

Mrs. N. W. Henning, 81 Followfield Ave., Charleroi, says: "I was first troubled with a dull, heavy ache across the small of my back that made me feel run down and miserable. It was almost impossible for me to bend over and when I did sharp twinges would catch me and I could hardly move. I didn't feel rested in the morning and always had a headache. I often became dizzy, too, and black specks appeared before my eyes. My kidneys were certainly in bad shape, so on reading about Doan's Kidney Pills I decided to try them. It was wonderful how soon they gave me relief and in no time my trouble entirely disappeared."

THEFT BY CITY FOLK COSTLY TO FARMERS

Theft of farm products, apples, peaches and other fruits and vegetables by city dwellers is causing farms in Pennsylvania thousands of dollars each season, according to Fred Rasmussen, secretary of agriculture of Pennsylvania. The secretary has asked the state police to break up the pilfaging. Most of the thieving is done at night while the farmer and his family are asleep.

Investigation has shown that much of the pillaging isdone by persons who are ordinarily regarded as lawabiding citizens, it is said, but who regard everything that grows in the country as being public property. In the southern part of the state conditions have become so bad that private guards have been employed at many orchards. Not onlly do these orchard thieves steal valuable fruit from the farmers, but the damage they do to the trees is often irreparable.

Where protection of orchards is needed, farmers may secure this protection by notifying the nearest state police barracks or by communicating directly with the state police headquarters in Harrisburg, while reports of the theft of farm products, when made to the state police, will be promptly run down and the thieves will be prosecuted.

FEW IMMIGRANTS TO THE COAL REGION

Very few of the immigrants coming to the United States at the present time, and the United States is receiving them at the rate of about three thousand daily, are arriving in the coal and coke fields of this section of the state. One reason advanced for this scarcity of new labor is, that most of the immigrants now coming from Europe are better suited for the textile mills of New England than for the heavy and dragging work of the mines. It is also reported that an embargo is being placed on man power leaving Europe at the present time, particularly those from 16 to 20 years of age. Possibilities of further wars in the not far distant future is said to be having an influence on the ruling powers, that they may not be found short of man power should any emergency arise.

ARREST MERCHANT FOR SELLING BOOZE

Hyman Applebaum, a well known merchant of Donora, was arrested one evening last week, on a charge of selling intoxicating liquor. For some time Donora has been over run with drunks and the police have been conducting a careful search in an effort to locate the oasis. Suspicion was turned toward Applebaum following the arrest of a man named Steve Risesky, who beat his small child while under the influence of liquor. He confessed that he had been supplied regularly with liquor at the Applebaum store and Constable Titus at once placed the grocer under arrest. It was found that he had been disposing of whiskey at $6 a quart and had openly sold other intoxicants, even running a book account on sales. He was held for court.

Modern girls probably haven't any more charms than the old fashioned ones, but they display more of them.

KEEPING CLOSE WATCH ON SCHOOL ATTENDANCE

A large number of reports from the schools of Washington county have been received at the county superintendents office. By recent act of the legislature the teachers of all schools must submit to the county superintendent in the respective counties in which they are teaching a report for each month as soon as the month is closed. Items include in these reports are: Number pupils enrolled; number tardy; names of tardy pupils; number pupils legally absent; number illegally absent; number absent through parental neglect; number truants, ect.

These reports are in turn sent to the Department at Harrisburg and there examined and in all cases of infractions of the school laws are later investigated. In one school an average attendance of but 62 per cent is given, while others range from 85 to 98 per cent. It is noted that in schools where irregular attendance prevails to a noticeable degree, the greater part of the pupils are foreigners, whose parents or guardians may not properly understand that they must send their children to school.

Misses Elizabeth and Gertrude Becker of Newell and Dr. F. C. Duvall of Monessen were Sunday guests of Mr. and Mrs. C. F. Froceheur of Speers.

NEW COMPANY WILL OPERATE WAYNESBURG SEAM

A new coal company was organized in Donora last week known as the Donora-Enterprise Coal company, which proposes to work what is known as the Waynesburg seam of coal. A tract of 55 acres of this coal has been purchased, situated below Dagg's hollow, in Forward township, Allegheny county, and steps are now being taken to open the vein. The new company expects to be able to begin shipments within a very short time, and will not only sell to brokers who ship by rail, but also propose to look after domestic trade, which at present time seems to be sadly neglected by coal dealers.
